RESOLUTIONS OF RESPECT

By Marion-Dunn Lodge No. 19, F. & A. M.

Whereas, in the infinite mercy of an all-wise Providence the cord has been broken that bound to us our brother, Dr. John Calvin Allred, who was called from labor to everlasting rest in the evening of life, on the third of September, A. D. 1900, and that we deeply lament our loss, bow in humble submission and commend his spirit to God who gave it. That in his death our Lodge has lost a shining light, the community in which he lived a valued citizen, and his family a loving and indulgent father and friend. Therefore, be it

Resolved, That we strive to emulate the sterling qualities of our late brother, as father, friend and associate, so that, when we come to the River that marks the unknown shore, our hands, like his, may be filled with deeds of charity, the golden keys that unlock the eternal palace.

That we extend to the family of our late brother our sincere and most heartfelt sympathy, that a copy of these resolutions be spread on the minute book of our lodge, published in the papers of Ocala, and copies given to the different members of our deceased brother's family.

R. S. Clark,
W. P. Trantham,
J. H. Livingston,
Committee.

Ocala, Fla., Sept. 10, A. L. 5900.

W. H. Hopkins, of Orange Lake, formerly traveling passenger agent of the F. C. & P. Railroad, was in the city yesterday and made us an appreciated call. Mr. Hopkins is living at home on his farm and making a good living out of the soil and with his live stock and says he was never so happy. He says every one there is enthused with the idea of Ocala for the state capital and that all of the leading men say her chances are growing brighter and will continue to do so even unto the perfect day.

Poisonous toadstools resembling mushrooms have caused frequent deaths this year. Be sure to use only the genuine. Observe the same care when you ask for DeWitt's Witch Hazel Salve. There are poisonous counterfeits. DeWitt's is the only original Witch Hazel Salve. It is a safe and certain cure for piles and all skin diseases. Anti-Monopoly Drugstore.

Rev. J. C. Porter returned last evening from Williston, where he preached Sunday to an appreciative audience. Mr. Porter says that interest in the matter of the removal of the state capitol to Ocala is growing apace in that prosperous section and that several of the most influential citizens have pulled off their coats and rolled up their sleeves, so to speak, and gone into the fight with the determination to win success for the Brick City. This is the sentiment being expressed in all of the different sections of the vast and rich expanse of central and south Florida.
